ResedaOdor
brand

HISTORY OF RESEDAODOR®

The beginning of the journey

8th December 2013 will always be a special day for me. It was the day when I decided to make my dream come true and create a company that would change the way we approached the skincare. That's how ResedaOdor® was born. It wasn't just a business project for me, it was a desire to create something bigger. I wanted every product we launch to be a true ally in preserving and enhancing natural beauty.

A dreams comes true

From the very beginning, my main goal was to provide people with simple, yet effective solutions that would bring them the confidence that they were doing their best to maintain the natural beauty. My

main goal was to create a clear solution for our customers, so they could appreciate the value of each product, to know what they were paying for, what concentration of ingredients were used and how exactly it was able to help their skin. Products were to provide long-lasting benefits without withdrawal effect, and had to be safe and environmentally friendly.

ResedaOdor® is a story about preserving individual beauty for everyone. I believe that wrinkles are normal as we age, the key is to age beautifully. That's why I support the Slow Age philosophy, which helps people to accept and love their natural changes and keep their skin healthy and fresh.

The first step

Our journey began with four unique molecules. We recommended them as additive to daily care in therapeutic doses, and the results were impressive. Actually, they went beyond our expectations: from the results of clinical research to final effect on our customers that were captured with the help of most advanced methods.

Scientific approach and innovation

From the very beginning, I have been committed to scientific validity and clinical evidence. Every ingredient in our products is the result of long-term research. We have selected only the best molecules around the world, recognised and awarded by In Cosmetics Global. I am proud to be able to offer you the most effective and proven skincare solutions available today.

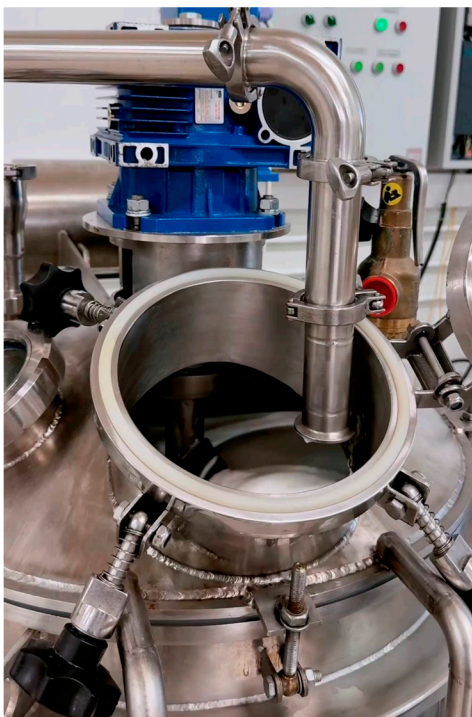

After 11 years, we have more than 100 products in our product range, created according to unique formulas, developed by our team. Each product is the result of collaboration between dermatologists, cosmetologists and technologists. We don't just cover the problems, we know how to solve them completely and gradually.

Modern advances

Today we have our own laboratory and manufacturing facilities where our bold innovations are born. We continue to move forward, creating cosmetics that don't just beautify, but help preserve and enhance your natural beauty. At ResedaOdor®, we believe that everyone deserves to experience the joy and comfort of self-care, and our mission is to make this process as enjoyable and effective as possible.

Our journey has just begun. I am sure there are many more discoveries and achievements to come.

Thank you for choosing us and joining us on this journey!

MICELLAR WATER FOR SENSITIVE SKIN, pH~6,5

**Gentle Cleansing & Makeup
Removal**

Gently removes impurities and makeup without causing irritation. Softens and hydrates the skin during the cleansing process. Strengthens the skin's protective barrier and helps to even out skin tone. Non-comedogenic, fragrance-free, and safe for sensitive skin.

SCIENCE BEHIND THE FORMULA:

Our formula combines three mild, non-ionic surfactants with emollient properties. This ensures effective cleansing without causing any dryness or tightness. The active ingredients restore the skin's barrier and soften immediately after the first application.

RESULT:

Perfectly cleansed and calm skin, ready for the following skincare routine.

INCI: Aqua, Peg-6 Caprylic/Capric Glycerides, Polysorbate 80, Poloxamer 184, Glycerin, Niacinamide, Betaine, Panthenol, Disodium EDTA, Phenoxyethanol, Ethylhexylglycerin.

BLACKHEAD EXFOLIATING FOAM, pH~5,8

Deep Pore Cleansing & Treatment

Dissolves impurities and excess sebum to prevent blackheads. Gently exfoliates and promotes skin renewal. Reinforces the skin's moisture barrier with lasting hydration. Safe for daily use — cleanses thoroughly without stripping natural moisture.

SCIENCE BEHIND THE FORMULA:

Cherimoya enzymes actively dissolve oil and sebum buildup on the skin surface, clearing and preventing clogged pores.

RESULT:

Clean, smooth, and hydrated skin, free from blackheads and never tight or dry.

INCI: Water, Sodium Cocoamphoacetate (and) Glycerin (and) Lauryl Glucoside (and) Sodium Cocoyl Glutamate (and) Sodium Lauryl Glucose Carboxylate, Annona Cherimola Fruit Extract, Linoleamidopropyl PG-dimonium Chloride Phosphate, Rubus Chamaemorus Fruit Extract, Vaccinium Vitis-idaea Fruit Extract, Vaccinium macrocarpon Fruit, Vaccinium uliginosum Fruit Extract, Rubus caucasicus Fruit Extract, Betaine, Polysorbate 80, Lactic Acid, Phenoxyethanol, Ethylhexylglycerin, Disodium EDTA.

SEBO CLEAR GENTLE **Sebum-regulating Facial Cleanser**
CLEANSING GEL, pH~5,8

Reduces sebum production without over-drying or tightness. Reduces inflammation and redness. Gently exfoliates to enhance absorption of active ingredient. Suitable for daily use, even for sensitive skin.

SCIENCE BEHIND THE FORMULA:

Fermented pomegranate enzymes gently dissolve dead skin cells, while Zn PCA helps balance oil production.

RESULT:

Perfectly balanced and clear skin with healthy microbiome.

INCI: Water, Sodium Cocoamphoacetate (and) Glycerin (and) Lauryl Glucoside (and) Sodium Cocoyl Glutamate (and) Sodium Lauryl Glucose Carboxylate, Lactobacillus/Punica Granatum Fruit Ferment Extract, Betaine, Hydrolyzed Wheat Protein, Zinc PCA, Pyrus Malus (Apple) Fruit Extract, Aloe Barbadensis Leaf Extract, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Phenoxyethanol, Ethylhexylglycerin.

HYDRO MIST INTENSIVE **Intense moisturizing toner** **HYDRATION, pH~5,0**

Provides deep and long-lasting hydration. Restores the skin barrier and supports the microbiome. Instantly soothes irritation and reduces skin sensitivity. Diminishes redness and improves skin elasticity.

SCIENCE BEHIND THE FORMULA:

Hyaluronic Acid provides multi-level hydration, while Tasmanian Pepper Extract reduces redness and irritation. The LentiMirt HF™ complex restores the skin's microbiome and reinforces its barrier function.

RESULT:

After using the toner, skin is well-hydrated, firm, and healthy.

INCI: Water, Myrtus Communis Leaf Extract (and) Pistacia Lentiscus (Mastic) Leaf Extract (and) Saccharomyces Ferment Lysate Filtrate (and) Citric Acid (and) Sodium Benzoate (and) Potassium Sorbate, Tasmannia Lanceolata Fruit/Leaf Extract, Betaine, Sodium PCA (and) Sorbitol (and) Serine (and) Glycine (and) Glutamic Acid (and) Alanine (and) Lysine (and) Arginine (and) Threonine (and) Proline , Sodium Hyaluronate , Phenoxyethanol, Ethylhexylglycerin.

150 ml

EPIDERMAL BARRIER **Targeted Barrier Regeneration** **REPAIR TONER, pH~5,4**

Restores the skin barrier and reduces Transepidermal Water Loss (TEWL). Stimulates ceramide synthesis and strengthens the lipid barrier. Reduces inflammation and enhances skin regeneration. Refines skin texture and increases its resistance to irritants. 2-in-1 Toner-Serum.

SCIENCE BEHIND THE FORMULA:

The Amisol Trio™ complex boosts the skin's natural ceramide production, restores its immune defense, and significantly reduces Transepidermal Water Loss, thereby reinforcing the barrier from the very first applications.

RESULT:

Deeply hydrated, soothed skin with a restored protective barrier and a visibly refined texture.

INCI: Water, Glycerin, Salicylic Acid (and) Dextrin (and) Polydextrose (and) Amylopectin (and) Niacinamide, Phospholipids, Glycine Soja (Soybean) Oil, Glycolipids, GlycineSoja (Soybean) Sterols, PEG-40 Hydrogenated Castor Oil, Hydroxyethylcellulose, Phenoxyethanol, Ethylhexylglycerin.

**DETOXIFYING
pH~6,0**

TONER,

**Gentle Toner for puffy and sensitive
skin**

This expertly formulated toner is designed to revitalize and decongest skin prone to fluid retention. It activates microcirculation and promotes depuffing effect. Reduces under-eye puffiness and dark circles. Enhances skin turgor, firmness, and elasticity. Reinforces capillary integrity and reduces redness caused by couperosis or rosacea. Delivers immediate, soothing hydration.

SCIENCE BEHIND THE FORMULA:

Eyeliss™ and Troxerutin provide a targeted dual-action approach: draining excess fluid while strengthening fragile capillaries. This is complemented by Niacinamide and Amino Acid Complex to fortify the skin's barrier and improve its long-term resilience.

RESULT:

Experience a significant reduction in puffiness and a more contoured, firmer, and radiant eye area with a refined texture.

INCI: Water, Niacinamide, Glycerin (and) Hesperidin Methyl Chalcone (and) Steareth-20 (and) Dipeptide-2 (and) Palmitoyl Tetrapeptide-7, Betaine (and) Sodium PCA (and) Sorbitol (and) Serine (and) Glycine (and) Glutamic Acid (and) Alanine (and) Lysine (and) Arginine (and) Threonine (and) Proline, Caffeine, Aloe Barbadensis Leaf Extract, Camellia Sinensis Leaf Extract, Troxerutin, Phenoxyethanol, Ethylhexylglycerin, Disodium EDTA.

DETOX MASK, pH~5,5

Complete solution for clean, balanced, and healthy-looking skin.

Deeply cleanses pores and controls excess sebum. Minimizes pores and reduces blackheads. Calms irritation and soothes skin. Refines texture and brightens complexion.

SCIENCE BEHIND THE FORMULA:

The unique combination of Kaolin and Rice Powder deeply cleanses and gently exfoliates. Zinc and Camphor effectively purify pores and reduce inflammation, maintaining skin's healthy balance without over-drying.

RESULT:

Experience thoroughly cleansed, fresh, flawless and matte skin with less visible pores.

INCI: Water, Kaolin, Steareth-2, Steareth-21, Cetearyl Alcohol, Potassium Cetyl Phosphate, Propylene Glycol, Oryza Sativa Germ Powder, Dimethicone, Titanium Dioxide, Aluminum Hydroxide, Stearic Acid, Oleth-10, Polysorbate 60, Caprylyl Glycol, Sodium Coco Sulfate, Phenoxyethanol, Ethylhexylglycerin, Camphor, Zinc Lactate, Allantoin.

CALMING MASK, pH~7,3

Intensive Care for Sensitive Skin

Soothes redness and visible capillaries. Strengthens skin's natural barrier. Reduces stress-induced reactions. Improves radiance and revitalizes complexion. Reinforces capillaries and boosts microcirculation.

SCIENCE BEHIND THE FORMULA:

Specialized blend of botanical extracts works synergistically to fortify the skin's protective barrier, diminish sensitivity, and combat visible signs of environmental stress.

RESULT:

Experience deeply hydrated skin with a more even tone, enhanced barrier resilience, and significantly reduced irritation and redness. Your complexion appears calmer, stronger, and radiantly healthy.

INCI: Aqua, Zinc Oxide, Aesculus Hippocastanum Seed Extract, Ruscus Aculeatus Root Extract, Centella Asiatica Extract, Troxerutin, Vitis Vinifera Leaf Extract, Hedera Helix Extract, Polygonum Fagopyrum Leaf Extract, Tasmannia Lanceolata Extract, Glycerin, Propylene Glycol, Polysorbate 20, Ammonium Acryloyldimethyltaurate/ Vinylpyrrolidone Copolymer, Phenoxyethanol, GlycerylLaurate, Perfume, Chlorophyll, Menthyl Lactate.

CREAM MASK, pH~6,0

Intensive Nourishing & Rejuvenation Treatment

Deeply hydrates and nourishes. Strengthens the skin barrier. Soothes and reduces the appearance of wrinkles. Provides antioxidant protection. Can be used as a leave-in treatment.

SCIENCE BEHIND THE FORMULA:

The powerful combination of Glutathione and Ascorbic Acid provides intense antioxidant protection, shielding the skin from oxidative stress and helping to slow down the aging process.

RESULT:

Firm, nourished, and glowing skin with visibly diminished wrinkles and a restored protective barrier.

INCI: Aqua, Hydrogenated Lecithin, C12-16 Alcohols, Palmitic Acid, Glycerin, Propylene Glycol, Glyceryl Stearate, Ceteareth-20, Ceteareth-12, Cetearyl Alcohol, Cetyl Palmitate, Butyrospermum Parkii, Crambe Abyssinica Seed Oil Phytosterol Esters, Linum Usitatissimum Seed Oil, Jojoba Oil, Urea, Sucrose, Sodium PCA, Pentylene Glycol, Hydrolyzed Collagen, Sodium Lactate, Lactic Acid, Disodium EDTA, 1,2-Hexanediol, Caprylic/Capric Triglyceride, Glucose, Arginine, Hydroxypropyl Methylcellulose, Citric Acid, Calcium Carbonate, Acetyl Glucosamine, Ascorbic Acid, Glutathione, Perfume, Butylated Hydroxyanisole, Phenoxyethanol, Ethylhexylglycerin.

SHINING MASK, pH~5,2

Radiant Glow & Even Tone Intensive Treatment

A powerful solution for achieving luminous, balanced skin. Evens skin tone and visibly reduces hyperpigmentation. Imparts a healthy, natural-looking glow and radiance. Provides powerful protection and fights against environmental stressors. Deeply hydrates and nourishes, improving skin's firmness and texture.

SCIENCE BEHIND THE FORMULA:

Our formula's core is a powerful dual-antioxidant system of Vitamin C and Glutathione. This synergistic shield not only defends against free radicals to prevent premature aging but also actively works to brighten the complexion and correct existing discoloration for a truly even tone.

RESULT:

Experience a transformed complexion—radiant, remarkably even-toned, and resilient against oxidative stress. Your skin feels deeply nourished and looks consistently luminous.

INCI: Aqua, Hydrogenated Lecithin, C12-16 Alcohols, Palmitic Acid, Propylene Glycol, Glycerin, Butyrospermum Parkii Butter, Cetearyl Alcohol, Crambe Abyssinica Seed Oil, Linum Usitatissimum Seed Oil, Jojoba Oil, 1,2-Hexanediol, Caprylic/Capric Triglyceride, Glucose, Arginine, Hydroxypropyl Methylcellulose, Citric Acid, Calcium Carbonate, Acetyl Glucosamine, Ascorbic Acid, Glutathione, Glyceryl Stearate, Ceteareth-20, Ceteareth-12, Cetearyl Alcohol, Cetyl Palmitate, Sea Buckthorn Pulp Oil, Butylated Hydroxyanisole, Glycyrrhiza Glabra (Licorice) Rhizome / Root (and) Glycyrrhiza Glabra (Licorice) Root Extract (and) Glycyrrhiza Uralensis (Licorice) Root Extract, Phenoxyethanol, Ethylhexylglycerin, Parfum.

SUNSCREEN CREAM SPF 50

Advanced Sun Protection & Skin Care Complex

A high-performance formula offering comprehensive defense against UV rays and environmental stressors, while providing essential care for healthy, resilient skin. Provides broad-spectrum protection against UVA, UVB and HEV radiation. Prevents photoaging and pigment formation. Soothes and repairs skin after sun exposure. Hydrates and strengthens skin barrier function. Suitable for all skin types, including sensitive skin.

SCIENCE BEHIND THE FORMULA:

The advanced combination of photostable filters ensures maximum protection against UV and HEV radiation, while Ceramide NP and the antioxidant complex work to restore skin barrier function and prevent cellular damage.

RESULT:

Experience long-lasting sun protection with care effect- skin remains perfectly shielded while becoming noticeably more resilient, hydrated, and radiant.

INCI: Water, Diethylamino Hydroxybenzoyl Hexyl Benzoate, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Ethylhexyl Salicylate, Butylene Glycol, Isopentyldiol, Glycerin, Polymethyl Methacrylate, Potassium Cetyl Phosphate, Ethylhexyl Triazone, Coco-Caprylate/Caprate, Caprylic/Capric Triglyceride, Cyclopentasiloxane, Cyclomethicone, Squalane, Allantoin, Epilobium Angustifolium Flower/Leaf/Stem Extract, Centella Asiatica Leaf Extract, Tocopheryl Acetate, Panthenol, Betaine, Tocopherol (mix), Beta-Sitosterol, Squalene, Sodium Hyaluronate, Phenoxyethanol, Ethylhexylglycerin, Xanthan Gum, Ceramide NP, Cetearyl Alcohol, Sodium Stearoyl Glutamate, Ammonium Acryloyldimethyltaurate/VP Copolymer, Polysorbate-20, Dimethicone/Vinyl Dimethicone Crosspolymer (and) Silica, Parfum.

INTENSIVE RESTORING NMF CREAM, pH~5,2

Intensive hydration and restoration

Provides instant hydration and nourishment. Recovers skin from the effects of aggressive external factors. Strengthens and protects the skin's natural barrier. Offers antioxidant and anti-inflammatory benefits. Improves skin texture and soothes irritation.

SCIENCE BEHIND THE FORMULA:

This formula combines Filagrinol™, a blend of nutrient-rich nut oils (22.5%), and Panthenol to provide rapid recovery from harsh environmental stressors—such as extreme temperatures, chemical peels, or sun exposure—while delivering intensive nourishment and hydration.

RESULT:

Skin feels soft, deeply hydrated, and visibly restored, with enhanced resilience against external conditions.

INCI: Water, Caprylic/Capric Triglyceride, Glycerin, Cyclomethicone, Pollen Extract (and) Glycine Soja (Soybean) Oil Unsaponifiables (and) Olea Europaea (Olive) Oil Unsaponifiables (and) Triticum Vulgare (Wheat) Oil Germ Oil Unsaponifiables, Butyrospermum Parkii (Shea) Butter, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Macadamia Terniolia Nut Oil, Cetearyl Alcohol (and) Cetearyl Glucoside, Arachidyl Alcohol (and) Behenyl Alcohol (and) Arachidyl Glucoside, Argania Spinosa Kernel Oil, Cetearyl alcohol, Tocopheryl Acetate, Betaine, Panthenol, Tocopherol(mix), Beta-Sitosterol, Squalene, Propolis Extract, Ammonium Acryloyldimethyltaurate/VP Copolymer, Lecithin (and) Carbomer, Phenoxyethanol, Ethylhexylglycerin, Xanthan Gum, Disodium EDTA.

EYE CONTOUR LIFTING CREAM, pH~5,7

**Instant lifting and hydration for a
fresh, revitalized look**

Immediate lifting effect. Smoothing of wrinkles and reduction of puffiness. Restoration of firmness and tone. Deep hydration and lipid barrier protection. Anti-age care and defense against oxidative stress.

SCIENCE BEHIND THE FORMULA:

Inst'Tight™ C — an innovative active ingredient based on honey acacia polysaccharides — provides instant and visibly noticeable wrinkle smoothing without any tightness. The formula is enhanced with antioxidants and microbiome-restoring components, making the eye area appear fresh, radiant, and young.

RESULT:

The skin around the eyes is lifted, hydrated, and protected, with wrinkles and signs of fatigue becoming less noticeable.

INCI: Water, Cetearyl Glucoside (and) Cetearyl Alcohol, Glycerin (and) Gleditsia Triacanthos Seed Extract, Caprylic/Capric Triglyceride, Caffeine, Squalane, Cyclopentasiloxane, Cyclohexasiloxane, Butyrospermum Parkii Butter, Hydrogenated Polyisobutene, Myrtus Communis Leaf Extract (and) Pistacia Lentiscus (Mastic) Leaf Extract (and) Saccharomyces Ferment Lysate Filtrate, Phospholipids (and) Glycine Soja (Soybean) Oil (and) Glycolipids (and) Glycine Soja (Soybean) Sterols, Sodium Hyaluronate, Tocopherol (mixed), Beta-Sitosterol, Squalene, Ammonium Acryloyldimethyltaurate/VP Copolymer, C12-13 Alkyl Lactate, Myristyl Myristate, Xanthan Gum, Phenoxyethanol, Ethylhexylglycerin, Citric Acid, Sodium Benzoate, Potassium Sorbate.

EYE AREA LYMPHATIC DRAINAGE GEL, pH~5,9

Targeted Solution for Puffiness and
Dark Circles

This advanced gel is specifically designed to de-puff, brighten, and revitalize the delicate eye area. Reduces puffiness and under-eye bags. Enhances microcirculation. Provides deep hydration and restores skin elasticity. Reveals a fresher, more radiant look.

SCIENCE BEHIND THE FORMULA:

The heart of our formula is a 10% Encapsulated Caffeine Complex. This stabilized, targeted-delivery form of caffeine effectively boosts microcirculation, provides protection against UV-induced damage, and significantly diminishes the appearance of bags and dark circles.

RESULT:

The eye area is visibly fresher, optimally hydrated, and free from puffiness.

INCI: Water, Caffeine (and) Maltodextrin (and) Xanthan Gum (and) Hydroxyethylcellulose, Glycerin (and) Hesperidin Methyl Chalcone (and) Steareth-20 (and) Dipeptide-2 (and) Palmitoyl Tetrapeptide-7, Niacinamide, Troxerutin, Arnica Montana Flower Extract (and) Melissa Officinalis Leaf Extract (and) Eucalyptus Globulus Leaf Extract (and) Juniperus Communis Fruit Extract (and) Salvia Officinalis Leaf Extract (and) Ruscus Aculeatus Root Extract, Glucosyl Hesperedin, 3-O-Ethyl Ascorbic Acid, Sodium Hyaluronate, Ammonium Acryloyldimethyltaurate/VP Copolymer, Phenoxyethanol, Ethylhexylglycerin, Disodium EDTA.

FILAGRINOL + CERAMIDE REPAIR CREAM, pH~6,0

Advanced Barrier Restoration &
Protective Care

Restores lipid barrier function and prevents moisture loss. Reduces sensitivity and shields against external aggressors. Provides deep hydration while improving skin softness. Supports microbiome balance and accelerates regeneration. Protects against oxidative stress and premature aging.

SCIENCE BEHIND THE FORMULA:

The unique combination of next-generation ceramides and Filagrinol™ doesn't just repair the skin barrier—it actively enhances NMF production for sustained hydration and protection. The probiotic complex maintains optimal microbiome health, while the antioxidant system prevents skin from daily environmental damage.

RESULT:

Skin becomes deeply moisturized, elastic, and resilient—with a restored barrier and significantly reduced sensitivity.

INCI: Water, Isopentylidol, Alkyl Lactate, Caprylic/Capric Triglyceride, Butyrospermum Parkii Butter, Glyceryl Stearate, Cyclopentasiloxane, Pollen Extract (and) Glycine Soja (Soybean) Oil Unsaponifiables (and) Olea Europaea (Olive) Oil Unsaponifiables (and) Triticum Vulgare (Wheat) Oil Germ Oil Unsaponifiables, Glycerin, Simmondsia Chinensis Seed Oil, Cetearyl Alcohol, Butylene Glycol, Squalane, Panthenol, Betaine, Behenyl Alcohol, Myrtus Communis Leaf Extract, Pistacia Lentiscus (Mastic) Leaf Extract, Saccharomyces Ferment Lysate Filtrate, Tocopheryl Acetate, Phospholipids (and) Glycine Soja (Soybean) Oil (and) Glycolipids (and) Glycine Soja (Soybean) Sterols, Ceramide NP, Tocopherol (mix), Beta-Sitosterol, Squalene, Sodium Hyaluronate, Sodium Stearoyl Glutamate, Sodium Polyacrylate, Hydroxyethylcellulose, Phenoxyethanol (and) Ethylhexylglycerin, Citric Acid, Sodium Benzoate, Potassium Sorbate.

BIFIDA ISO BIOME RECOVERY CREAM, pH~6,0

**Replenishes Skin Flora & Controls
Excess Oil**

A breakthrough formula designed to rebalance the skin's ecosystem. Restores the skin's microbiome and reduces inflammation. Reinforces the skin barrier and stimulates ceramide synthesis. Regulates sebum production and minimizes pore appearance. Soothes irritation and calms redness. Provides lasting hydration and environmental protection.

SCIENCE BEHIND THE FORMULA:

Cream formula leverages the power of probiotic lysates. Propionibacterium and Bifida Ferment Lysates work synergistically to rebalance microbiome of the skin, promoting ceramide synthesis for a resilient, less reactive barrier. Simultaneously, Miniporyl™ targets oil production at the source by inhibiting 5 α-reductase activity in sebocytes, leading to reduced lipids and refined pores.

RESULT:

Skin appears matte yet hydrated, with refined pores and a balanced, resilient complexion.

INCI: Water, Glycerin, Isopentylidiol, Bifida Ferment Lysate, Butylene Glycol, Propionibacterium Ferment Lysate, Squalane, Coco-Caprylate/Caprate, Caprylic/Capric Triglyceride, Trifolium Pratense (Clover) Flower Extract, Allantoin, Panthenol, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer (and) Dimethicone (and) Trideceth-6 (and) PEG/PPG-18/18 Dimethicone, Cyclomethicone, Phospholipids (and) Glycine Soja (Soybean) Oil (and) Glycolipids (and) Glycine Soja (Soybean) Sterols, Sodium Hyaluronate, Tocopheryl Acetate, Betaine, Ammonium Acryloyldimethyltaurate/VP Copolymer, Xanthan Gum, Phenoxyethanol, Ethylhexylglycerin

CERAMIDE MILKY TONER

**Nourishment, Hydration & Healthy
Glow**

Deeply nourishes, hydrates and softens skin. Eliminates dryness, flaking and tightness. Provides a healthy, natural-looking glow. Restores and protects against environmental stressors. Soothes and helps reduce skin redness.

SCIENCE BEHIND THE FORMULA:

Ceramide complex works synergistically with hydrating agents to deeply moisturize and nourish skin while preventing trans epidermal water loss. The addition of Ramigan™ Active effectively soothes and reduces redness for an even, comfortable complexion.

RESULT:

With daily use, skin becomes optimally hydrated, radiant, and resilient—free from irritation, tightness, and dryness.

INCI: Water, Dipropylene Glycol, Butylene Glycol, Glycerin, Myrtus Communis Leaf Extract (and) Pistacia Lentiscus (Mastic) Leaf Extract (and) Saccharomyces Ferment Lysate Filtrate (and) Citric Acid (and) Sodium Benzoate (and) Potassium Sorbate, Caprylic/Capric Triglyceride, Panthenol, Cetyl Alcohol, Behenyl Alcohol, Cyclopentasiloxane, Bis-PEG-18 Methyl Ether Dimethyl Silane, Betaine, Phospholipids (and) Glycine Soja (Soybean) Oil (and) Glycolipids (and) Glycine Soja (Soybean) Sterols, Tocopheryl Acetate, Dipotassium Glycyrrhizinate, Sodium Hyaluronate, Peramigan, Dipeptide-2, Ceramide NP, Xanthan Gum, Polysorbate-20, Ammonium Acryloyldimethyltaurate/VP Copolymer, Sodium Stearoyl Glutamate, Hydroxyethylcellulose, Phenoxyethanol, Ethylhexylglycerin.

SOOTHING SERUM 5%, pH~5,5

**Gentle Care for Skin with Rosacea
and Couperosis**

Reduces redness and inflammation. Strengthens capillary walls and improves microcirculation. Diminishes puffiness and dark circles under eyes. Supports barrier function and provides lasting hydration.

SCIENCE BEHIND THE FORMULA:

Specially formulated to improve microcirculation and strengthen capillaries, effectively reducing visible signs of redness and inflammation.

RESULT:

Skin appears brighter and more even-toned, with significantly reduced redness and inflammation. Leaves skin hydrated, comfortable, and protected from environmental stressors.

INCI: Water, Peramigan (and) Dipeptide-2 (and) Glycerin, Cyclopentasiloxane, Cyclohexasiloxane, C12-13 Alkyl Lactate, Tasmannia Lanceolata Fruit/Leaf Extract, Cetearyl Glucoside (and) Cetearyl Alcohol, Bis-PEG-18 Methyl Ether Dimethyl Silane, Phospholipids (and) Glycine Soja (Soybean) Oil (and) Glycolipids (and) Glycine Soja (Soybean) Sterols, Lactobacillus/Rye Flour Ferment, Behenyl Alcohol, Tocopheryl acetate, Carbomer, Lecithin, Ammonium Acryloyldimethyltaurate/VP Copolymer, Tocopherol (mixed), Beta-Sitosterol, Squalene, Tromethamine.

**Advanced Antioxidant Protection &
Radiant Glow**

Neutralizes free radicals and protects against photoaging. Improves skin firmness and elasticity. Evens skin tone and imparts a healthy glow. Restores skin barrier and microbiome balance.

SCIENCE BEHIND THE FORMULA:

The powerful combination of Vitamin C and Ferulic Acid provides expanded antioxidant protection, while BSASM™ - clinically proven to reduce trans epidermal water loss by 41-44% and decrease itching by 38% - acts as a natural alternative to steroids.

RESULT:

Experience radiant, denser skin resilient against environmental damage and stress.

INCI: Water, Butylene Glycol, Ascorbic Acid, Isopentyl diol, Myrtus Communis Leaf Extract (and) Pistacia Lentiscus (Mastic) Leaf Extract (and) Saccharomyces Ferment Lysate Filtrate (and) Citric Acid (and) Sodium Benzoate (and) Potassium Sorbate, Bis-PEG-18 Methyl Ether Dimethyl Silane, Glycyrrhiza Glabra (Licorice) Root Extract, Centella Asiatica Extract, Camellia Sinensis Leaf Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Troxerutin, Ferulic Acid, Sodium Hyaluronate, Polysorbate 80, Laureth-3, Phenoxyethanol, Ethylhexylglycerin, Sodium Hydroxide, Disodium EDTA.

**MIO CONTROL
REJUVENATING SERUM,

**Instant Relaxation for Mimic
Wrinkles & Skin Recovery**

Softens expression lines while preserving natural facial movement. Prolongs the effects of botulinum toxin treatment. Restores volume in areas of age-related lipoatrophy. Reinforces the skin barrier and maintains optimal hydration. Rebalances the skin's microbiome for long-term health.

SCIENCE BEHIND THE FORMULA:

The innovative ingredient, XEP™-018, visibly relaxes facial muscles within just 2 hours after application. This is complemented by Adipophilin™, which targets age-related volume loss, and a complex of probiotics and barrier lipids for a comprehensive anti-aging approach.

RESULT:

Skin is noticeably smoother, firmer, and deeply hydrated, with a subtle lifting effect and restored facial contours.

Anti-Inflammatory Action & Skin Balance Restoration

Reduces inflammation and redness without over-drying. Regulates sebum production and minimizes shine. Minimizes pores and refines skin texture. Restores microbiome balance and maintains physiological pH. Gradually brightens post-acne marks and evens skin tone.

SCIENCE BEHIND THE FORMULA:

Azeclair™ inhibits 5-alpha-reductase activity by reducing the DHT/Testosterone ratio by 69%, decreases pro-inflammatory cytokines (IL-6, IL-8), and soothes irritation without causing dryness or discomfort.

RESULT:

Clear, calm skin with a more even tone and significantly reduced breakouts.

INCI: Water, Potassium Azeloyl Diglycinate, Salicylic Acid (and) Dextran (and) Polydextrose (and) Amylopectin (and) Niacinamide, Glycerin (and) Epilobium Angustifolium Flower/Leaf/Stem Extract, Bis-PEG-18 Methyl Ether Dimethyl Silane, Propolis Extract, Glycerin, Isopentyldiol, Trifolium Pratense (Clover) Flower Extract, Xanthan gum, Phenoxyethanol, Ethylexylglycerin.

**SERUM NIACINAMIDE 5%
SEBO CONTROL, pH~6,0**

**Sebum Control & Pore Refining
Solution**

Regulates sebum production and reduces shine. Soothes inflammation and helps prevent new imperfections. Supports the skin's microbiome and strengthens its defenses. Minimizes the appearance of pores and refines skin texture. Promotes cell renewal and evens skin tone.

SCIENCE BEHIND THE FORMULA:

Niacinamide 5%, is clinically shown to reduce sebum production by –23% (in vivo). This optimal concentration delivers high efficacy without the risk of irritation, making it suitable for daily use.

RESULT:

A matte, clear complexion with a balanced microbiome and a more even, refined texture.

INCI: Water, Niacinamide, Butylene Glycol, ZnPCA, Betaine, Glycerin, Lactobacillus/Rye Flour Ferment, Hydroxyethylcellulose, Phenoxyethanol, Ethylhexylglycerin.

Intensive Hydration

Intensely hydrates and refines skin texture. Boosts firmness and improves elasticity. Supports and restores a healthy skin microbiome. Protects against dehydration and external stressors.

SCIENCE BEHIND THE FORMULA:

A combination of low and high-molecular hyaluronic acids delivers both immediate and lasting hydration, while LentiMirt HF contributes to reinforcing the skin's natural microbiota for long-term health and strength.

RESULT:

Experience moisturized, smooth and radiant skin throughout the day.

INCI: Water, Myrtus Communis Leaf Extract (and) Pistacia Lentiscus (Mastic Leaf Extract (and) Saccharomyces Ferment Lysate Filtrate (and) Citric Acid (and) Sodium Benzoate (and) Potassium Sorbate, Betaine, Sodium PCA, Sorbitol, Serine, Glycine, Glutamic Acid, Alanine, Lysine, Arginine, Threonine (and) Proline, Sodium Hyaluronate, Hydroxyethylcellulose, Phenoxyethanol, Ethylhexylglycerin.

VITAMIN C SERUM, pH~3,5

**Fresh &
Complexion**

Healthy-Looking

Brightens and evens out skin tone. Removes dark spots and reduces puffiness. Provides deep hydration and prevents moisture loss. Refines skin texture for a radiant finish.

SCIENCE BEHIND THE FORMULA:

A high concentration of stable Vitamin C works from the first application to revive dull, tired skin, delivering visible radiance and tone. Supported by amino acids and nourishing agents, this formula ensures lasting hydration and a fresher look.

RESULT:

A fresh, healthy-looking complexion with firmer, more resilient skin.

INCI: Water, Glycerin, 3-O-Ethyl Ascorbic Acid, C12-13 Alkyl Lactate, Squalane, Betaine, Sodium PCA, Sorbitol, Serine, Glycine, Glutamic Acid, Alanine, Lysine, Arginine, Threonine, Proline, Sodium Hyaluronate, Tocopheryl Acetate, Ammonium Acryloyldimethyltaurate/VP Copolymer, Xanthan Gum, Hydroxyethylcellulose, Disodium EDTA, Ethylhexylglycerin, Phenoxyethanol.

**Hair Strengthening, Growth
Stimulation & Anti-Aging Care**

Inhibits 5- α -reductase and reduces DHT impact on follicles. Reduces inflammation and restores scalp microbiome. Stimulates cell division and follicle stem cell activity. Prolongs the active growth phase (anagen). Improves microcirculation and nutrient delivery to the root. Increases hair density and strength.

INDICATIONS:

Androgenic alopecia (men and women). Diffuse hair loss caused by stress, illness, hormonal changes, or nutrient deficiencies. Post-therapeutic hair loss (including chemotherapy). Growth stimulation and density improvement. Anti-aging hair care and prevention. Compatible with clinical treatments and injection therapies.

SCIENCE BEHIND THE FORMULA:

Capixyl™ stimulates stem cell proliferation and collagen XVII synthesis, enhancing the preservation and integrity of the extracellular matrix and hair follicle anchoring system.

Clinically proven:

- +87% hair elongation in 11 days (ex vivo)
- New hair growth and reduced hair loss in androgenic alopecia patients (in vivo)
- Superior efficacy to minoxidil (ex vivo)

RESULT:

Hair becomes thicker, denser, and stronger with reduced shedding and less visible part lines. Ideal for anti-aging care and hair loss prevention.

INCI: Water, Butylene Glycol (and) Dextran (and) Acetyl Tetrapeptide-3 (and) Trifolium Pratense (Clover) Flower Extract, Isopropyl Alcohol, Aesculus Hippocastanum (Horse Chestnut) Seed Extract, Glycolic Acid, Triethanolamine, Phenoxyethanol (and) Ethylhexylglycerin.
